

Please come decorate a Holiday Tree to feed our Feathered Friends!

Sunday, December 4th

2:00 pm to 3:30 pm

At the Red Barn, Shrewsbury Street, Holden (near Alden Lab)

*Bring your own home-made edible decorations or ready-made ones.
Join the FRIENDS OF THE RED BARN for cocoa, hot cider, and cookies,
as we decorate our tree with nutritious food for winter birds.*

This is a great opportunity for parents and children to work together on a creative and environmentally friendly project. Add replacements as needed throughout December, or longer, if you wish to continue beyond the holidays.
